Boulder, CO ([PRWEB](#)) June 12, 2012 -- Adler & Company, Inc., a Boulder, CO based investment banking firm, announced today that it has been engaged by Lineage Capital to identify business service companies that would consider an equity investment.

Lineage Capital is a private investment firm based in Boston, MA. It specializes in making equity investments in owner-managed and family-controlled businesses, providing shareholders personal liquidity and a partner for growth. Lineage typically structures its investments so that the shareholders sell 80% of their stock, but continue to own 33 to 50% of the company after the investment. Lineage uses a unique partnership model that allows the original shareholders to retain control of the board of directors.

Lineage has a long-standing interest in business service companies.

The search is being conducted by investment banking firm Adler & Company of Boulder, Colorado, which specializes in identifying sellers of “lower middle market” companies for its private equity clients.
